

# Take Maths Further! Year 10 Enrichment Day

Ipswich Town Hall, IP1 1DH

Tuesday 17<sup>th</sup> July 2018, 9:45 am – 2:00 pm

The Further Mathematics Support Programme invites you to a day of stimulating mathematical sessions designed to help students see the usefulness and fun of maths beyond the curriculum. The event is aimed at high achieving Year 10 mathematicians who may go on to study maths, further maths or core maths at A Level, especially those that may need a little encouragement to do so. Schools may bring up to 20 students and an accompanying teacher **free of charge**.
