

The Further Mathematics Support Programme

Maths is your future

Year 10 Mathematics Enrichment event

Wednesday 20th June 2018, 10:00am to 2:45pm

The University of Exeter, Streatham Campus, Exeter.

Sessions to include:

- **Workshops**
- **A team competition**
- **Lecture**

An enrichment day aimed at Year 10 students who should consider continuing studying Core Maths, AS Mathematics, A Level Mathematics or Further Mathematics post-16.

Student and teacher places at this event are free. Students will need to bring a packed lunch; lunch and light refreshments will be provided for teachers

Booking details To book places, please use the form here:

<https://goo.gl/forms/p6TodKz3zw8xlug93>

Please book places **by Wednesday 13th June 2018**. Schools are limited to 30 places each in the first instance. Ideally, a third of the students should be potential Core Maths students, a third A Level Mathematics students and a third, potential Further Mathematics students and the day is particularly suited to those students who may not have decided that the further study of Mathematics is for them. If you would like to bring more than 30 students, or would like further information, please contact Margaret Harding:-
