

The Further Mathematics Support Programme

AS Further Maths: Complex Numbers and Matrices

A one day course looking at some of the common pure topics in AS/Year 1 Further Maths.

Hosted at Sheldon School, Chippenham, SN14 6HJ

Tuesday 10th July 2018, 9:30-15:30.

This course is ideal for any teachers who are planning to teach **AS/Year 1 Further Maths Core Pure** for the first time, or who have recently started teaching this course. It may also appeal to more experienced teachers who wish to discover new resources and approaches.

Course aims:

- To examine the key concepts in the chosen topics,
- To discuss a range of approaches to teaching these topics effectively and in an engaging manner,
- To provide access to a wide variety of suitable resources including use of technology and problem solving.

Course fees and application:

The course fee is £50 for schools registered with the FMSP.
