Peterborough Network of Maths Teachers A Level Network

First examinations of the new AS and A levels

At this meeting:

Kristin Coldwell (FMSP) will lead a session looking at the first sets of exams for the new A level specification.

In particular, we will consider:

- Comparison to the old specification and the sample assessment materials
- Possible pitfalls, misconceptions and challenges
- Newer features such as large data set questions, proof and problem-solving
- There will also be an update on the new Advanced Mathematics Support Programme and Advanced Mathematics Premium

**Free professional development and the chance to meet other
teachers in the area.**

This session is free thanks to funding from the FMSP. Light refreshments will be provided.

**For further information, to be added to the mailing list or if you plan to attend
the next meeting please contact:**
