North Kent Mathematics Network

University Maths Entrance Exams & Year 2 of the New A-Level

2.30- 2.45pm: **Light lunch**

2.45 - 4.30pm: **Do you know your STEP from your MAT or TMUA?!**

In this part of the meeting Alexandra Hewitt from the FMSP, based at the Mathematical Institute, Oxford will provide information on the proliferation of mathematics exams for university entrance. We will discuss how to help your students prepare and what support is available.

4.30 – 5.30pm: **Reflections on Year 1 and looking forward to Year 2.**

Have you finished the Year 1 content? What assessment have you used? Has technology 'permeated' your teaching? Where do we find practice papers? A chance to discuss all of these questions and more with other maths teachers over tea and cake.

This session is free thanks to funding from the FMSP.

The North Kent Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet termly and the programme is a mixture of informal sessions and speaker-led training events.
