

Year 12 Student Problem Solving Conference

Year 12 students are invited to join a series of mathematics, problem-solving workshops from 9:00am to 3:30pm at the University of Warwick.

The sessions will include:

- Fun Maths Roadshow
- Writing and Presenting Solutions
- Mathematical Fluency
- Adapted STEP and AEA Questions

WHO: Year 12 students who enjoy maths and solving problems. Particularly those:

- Considering a mathematics-related degree
- Who may take STEP or equivalent university entrance exams

Teachers will follow a parallel CPD programme.

WHEN: Choose your date from:

- Wednesday 4th July 2018
- Thursday 5th July 2018

WHERE: The University of Warwick

Mathematics Institute, Coventry, CV4 7AL

This event is **free of charge** with thanks to the AMSP (formerly FMSP)

A packed lunch will be provided.

There are 8 student places available per school. To book places for your school please complete the form via the QR code above or via this link: <https://goo.gl/gq693f>
