

The Further Mathematics Support Programme

“Getting to know more” about being an Associate

A short informal meeting to find out how you can be involved with the Further Maths Support Programme.

University of Nottingham

Wednesday 11th July 2018

4:00 – 5:30pm

The East Midlands is looking for people who may be interested in being an “Associate” for the Further Maths Support Programme (although we will be known as the Advanced Maths Support Programme after some re-branding over the summer).

“Associates” perform vital (paid) work for the FMSP on an ad-hoc basis, but are a key part of the success of the FMSP’s work around the country. Such work may include:

School visits

Large scale enrichment events

CPD/Network meetings

Drinks/nibbles will be provided and I hope a few of our current associates will be able to join us. If you’d like to attend this meeting then please use the link to sign up below (if you are unable to attend but would like to know more then please also use the link below to register your interest).
