# Mathematics Teaching Network – hosted by Trinity School

## Reflection On and Resources For the Linear A-Level

### At this meeting:

A year in to the linear A-Level, we will have an opportunity to:

- Reflect on our teaching of the course.
- Share resources we have found, re-found and created to support the teaching and review of the course so far.

### You will leave the session with:

- A new network of teachers to share resources and ideas with
- FREE online resources
- FREE photocopiable resources for immediate use in the classroom

### Thank you to...

This session is free thanks to the support of Trinity School and funding from the FMSP. Coffee, tea and delicious cookies will be provided.

### For more information please contact:

The Trinity School Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet half-termly and the programme is a mixture of informal sessions and speaker-led training events.
