2017](http://www.furthermaths.org.uk/2017)

Gloucester Mathematics Network

Maths A-level 2017 – Reviewing this year and planning for next year

At this meeting:

Time for teachers to discuss how they have approached teaching the new A-level courses this year, to share ideas and to reflect on the 2018 AS and A-level exam papers.

Ahead of the meeting it would be useful if you could consider what worked well this year, and what are you planning to change for next year and why?

Further Information

This session is free for teachers in schools registered with the FMSP Register for free at <http://furthermaths.org.uk/register>
Light refreshments will be provided.

For details of other teacher meetings and professional development in the South West please see http://furthermaths.org.uk/SW_CPD

The Gloucester Mathematics Teacher Network is an FMSP-funded project allowing teachers of maths to meet, to collaborate and to share professional development. We meet three or four times a year and the programme is a mixture of informal sessions and speaker-led training events.
