

This Meeting:

**Wednesday
27th June 2018**

4:15 – 6:00pm

Bilton School,
Lawford Ln,
Rugby,
CV22 7JT

Warwickshire Teacher Network

GCSE Mathematics: Problem Solving at KS4

At this meeting

Fiona Kitchen, AMSP Area Coordinator, will deliver a session related to Problem Solving at KS4.

We will look at the changes in emphasis on Problem Solving at KS4, what characterises a problem solving question and explore examples and resources which can be used in the classroom. There will be a focus on mindsets and tips related to problem solving and how these can shape a classroom culture.

This meeting will be an excellent opportunity to network with teachers from other schools and share best practice.
